

Product: KAB0360

Product Description

SPEAKER TWIN FLEX 80V 2x2.50mm²

Technical Specifications

Product Overview

Suitable Applications:	Loudspeaker interconnection
------------------------	-----------------------------

Physical Characteristics (Overall)

Conductor

Stranding	Material	Cross Section	Construction n x D	No. of Conductors
Stranded	CCA	2.50 mm ²	50x0.25 mm	2

Outer Jacket Material

Material	Nominal Width	Nom Thickness +/- Toler
PVC - Polyvinyl Chloride	7.60mm	0.15mm

Electrical Characteristics

Voltage

Voltage Rating [V]
80 V

Mechanical Characteristics

Temperature

Operating
-20°C to +90°C
